ECONOMICS: Equal 1st : Victor Marchetta, John Ryan &
Bernard O'Connor.

Some comments:

John Mulligan – when was the last time your spoke Latin?

Mark Gregor – If you get arthritis in later life, it is due to you climbing up the stairs to the stage to collect all those awards!

Jeremy Johnson – typecast from an early age. Australian History award, and now CEO of Sovereign Hill!

Jack Ryan – Social Studies spurred him on to be very social!!
